

Fourth Regiment — (Hardenburgh's)

[This Regiment seems to have had a somewhat tortuous career. On March 13, 1776, the Provincial Congress received a letter from Colonel Abraham Hasbrouck, Major Johannes Snyder and the other officers of the Field and Staff, returning their commissions for "childish reasons," as the proceedings of the Provincial Congress characterized them. On August 3, 1776, Captain Salisbury complained to the same body that Colonel Snyder had ordered that his Troop of Horse be drafted as Foot soldiers. Congress countermanded the order. Soon afterward, charges were preferred against Colonel Snyder, but whether on account of the above action does not appear, nor is the result given. As he was still in command in 1782, the charges could have had no serious result. As far as can be gathered, the Regiment served at different periods from October 25, 1775, until 1782. Many changes were made in the officers at a reorganization in February, 1778. On November 2, 1781, Lieutenant Colonel Elmendorf resigned, but no record is found of his successor.]
